MINERAL LEASE APPLICATIONS

METALLIFEROUS MINERALS LEASE APPLICATIONS - APPROVED

Upon recommendation of Mr. Mansfield, the Acting Director, Kevin S. Carter, approved the Metalliferous Minerals lease applications listed below at a rental of \$1.00 per acre per annum; royalty as provided in the lease form approved by the Board of State Lands and Forestry. The applications have been checked by the Minerals Section and found to be in order. The land status has been examined and the lands found to be open and available. The reassessment date for these leases is March 1, 2003.

GRAZING

PROPOSED GRAZING FEE ASSESSMENT FOR 1993

It is proposed that the grazing fee assessment for 1993 be \$2.21 plus the \$0.05 noxious weed fee per animal unit month (AUM) of grazing on state lands. This proposal is based on the action taken by the Board of State Lands and Forestry on February 14, 1991, as follows:

Gardner/Bowns. Motion approved. Ms. Lear and Mr. Nelson voted "no". Mr. Greathouse abstained.

"I move that we accept the recommendation of the Division of adding a 35-cent charge to the PRIA formula, plus the five-cent weed fee, for the next three years unless the Board reconsiders it before then; and, in the event the PRIA formula cannot be determined, the last PRIA formula fee is to be used until the Board reconsiders the fee structure."

The 1993 PRIA formula fee amounts to \$1.86 (a six-cent reduction from the 1992 PRIA figure of \$1.92). The \$0.35 additional charge added to this equals \$2.21, plus the \$0.05 legislatively-approved noxious weed control fee.

Upon recommendation from Mr. Wilcox, the Acting Director, Kevin Carter, approved the proposed grazing fee assessment for 1993.
